This week the Cathedral Corporation received notice from Alison Meredith, our Parish Administrator and Executive Assistant to the Dean, of her intention to retire effective Friday, May 6th.

Alison has been an integral and important part of our community here at the Cathedral and we will dearly miss her presence amongst us! Alison has devoted 27 years of her working life to the Diocese, with more than 23 years of those dedicated to our life here at the Cathedral. Alison is an Order of Niagara recipient which is a testament to her devotion to both the Diocese and our Cathedral.

While we know that many of you will want an opportunity to give your best wishes in person, Alison has requested that there be no formal recognition or gathering and we are respectful of that. Alison asked us to convey to you that she has appreciated all of the connections and friends that she has made over these many years and she will cherish these memories. Please be assured that the Corporation, on behalf of the Cathedral, is arranging for a suitable token of our heartfelt appreciation to be given to Alison privately.

We know that you will join us and the Cathedral staff in wishing Alison all the best and to assure her of our steadfast love and support as she enters this new chapter in her life!

Effective with Alison's retirement, the Corporation has hired an interim Parish Administrator. Please welcome Carol Henley. Carol is the former parish administrator of St. Christopher's Church in Burlington so she comes to us with a wealth of experience. Carol, along with support from the Corporation and a couple of key parishioners, will keep the office humming, the service bulletins prepared, the Chronicle updated, and distributed and the office phone and Cathedral e-mail monitored until the Corporation can hire a permanent parish administrator.
